> **This sheet is the most incomplete of the nine.** Purity, volatile oil content and admixture are the three parameters a spice buyer asks for first. It should not be sent to a buyer until they are filled in.

DOCUMENTATION SUPPLIED

- Certificate of analysis, per lot
- Organic transaction certificate, per lot — when the lot is certified
- Phytosanitary certificate
- Certificate of origin
- Commercial invoice and packing list
- Bill of lading

> Values in brackets are pending confirmation by ADT Origen S.A.S. before this sheet is sent to a buyer. Ranges are typical for the origin and are confirmed per lot by the certificate of analysis.
