Incoterms	[to be completed]
Lead time from order	[to be completed]
Payment terms	[to be completed]
Price	[quoted per enquiry]
Sample	Available on request, with lot number and certificate of analysis

> **This one sits outside the rest of the range.** Dried pasta is a processed product: it has no harvest, no field lot and no organic certification in the sense the other eight have. Its guarantee comes from the manufacturing plant, not from the origin. It should be quoted and presented separately.
>
> **Allergen:** cereals containing gluten.

DOCUMENTATION SUPPLIED

- Certificate of analysis, per lot
- Certificate of origin
- Commercial invoice and packing list
- Bill of lading

> Values in brackets are pending confirmation by ADT Origen S.A.S. before this sheet is sent to a buyer. Ranges are typical for the origin and are confirmed per lot by the certificate of analysis.
