Bulk	[drums — to be completed]
Retail	350 g net weight
Drained weight	[to be completed]
Carton	[to be completed]
HS code	2005.70
Export duty	[to be confirmed]

COMMERCIAL TERMS

ITEM	TERMS
Minimum order quantity	[to be completed]
Incoterms	[to be completed]
Lead time from order	[to be completed]
Payment terms	[to be completed]
Price	[quoted per enquiry]
Sample	Available on request, with lot number and certificate of analysis

> **Net weight and drained weight are two different figures** and both are mandatory on a retail label in the European Union. The 350 g on the artwork is net weight; drained weight has to be measured and declared.

DOCUMENTATION SUPPLIED

- Certificate of analysis, per lot
- Organic transaction certificate, per lot — when the lot is certified
- Phytosanitary certificate
- Certificate of origin
- Commercial invoice and packing list
- Bill of lading

> Values in brackets are pending confirmation by ADT Origen S.A.S. before this sheet is sent to a buyer. Ranges are typical for the origin and are confirmed per lot by the certificate of analysis.
