Sample	Available on request, with lot number and certificate of analysis

> **Allergen.** Tree nut. It has to be declared on every label and on every shipping document, and it changes how the lot is stored and transported alongside other products.

DOCUMENTATION SUPPLIED

- Certificate of analysis, per lot
- Organic transaction certificate, per lot — when the lot is certified
- Phytosanitary certificate
- Certificate of origin
- Commercial invoice and packing list
- Bill of lading

> Values in brackets are pending confirmation by ADT Origen S.A.S. before this sheet is sent to a buyer. Ranges are typical for the origin and are confirmed per lot by the certificate of analysis.
